

Dear California Legislative Staff Member:

Sierra Club California cordially invites you to attend an environmental briefing:

“Commonsense Strategies to Increase California’s Water Supplies”

How can California meet water demand as the population grows? There's an alternative to expensive, environmentally destructive water projects. Learn from the experts how a range of sustainable water strategies, including conservation practices, water reuse innovations, and rainwater capture, meet demand, create jobs, and conserve energy while improving the environment.

Presented by:

<i>Dave Smith,</i>	<i>Conner Everts,</i>	<i>Sean Bothwell,</i>
<i>Managing Director,</i>	<i>Executive Director,</i>	<i>Policy Analyst,</i>
<i>WateReuse California</i>	<i>Southern California</i>	<i>California Coastkeepers</i>
	<i>Watershed Alliance</i>	<i>Alliance</i>

Date: Thursday, April 19, 2012

Briefing time: 12:30-1:30 p.m.

Where: Capitol Building, Room 115

This briefing is sponsored by Sierra Club California and allied organizations as part of the Protect California Campaign, a no-regrets campaign designed to educate government officials and opinion leaders about the work left to be done to protect California’s environment.
