

**NEW
BRIEFING
ADDED!**

Dear California Legislative Staff Member:

Sierra Club California cordially invites you to attend an environmental briefing:

“The California Coastal Act: Its Achievements and Its Future”

As the California Coastal Act approaches 40 years of protecting our coastal and ocean resources, a panel of experts will take a look back at how this policy has shaped our coast. Our panel will also examine who benefits from the public access guaranteed by the Coastal Act and what new challenges may lay ahead for our coastline.

Presented by:

*Ann Notthoff,
California Advocacy
Director,
Natural Resources
Defense Council*

*Una Glass,
Executive Director,
Coastwalk California*

*Susan Jordan,
Director,
California Coastal
Protection
Network*

Date: Thursday, May 24, 2012

Briefing time: 1:30-2:30 p.m.

Where: Capitol Building, Room 2040

This briefing is sponsored by Sierra Club California and allied organizations as part of the Protect California Campaign, a no-regrets campaign designed to educate government officials and opinion leaders about the work left to be done to protect California's environment. For more information about the campaign, visit www.protectcalifornia.org or visit us on Facebook at ProtectCA and Twitter @ProtectCA.
