

Dear California Legislative Staff Member:

Sierra Club California cordially invites you to attend an environmental briefing:

“A Moving Air Pollution Target: Freight Traffic”

California's freight traffic is growing and expected to continue growing fast as the economy bounces back. That growth brings with it a range of air pollution problems. Policy advocates who have worked to clean up freight at the local, state and national level will discuss the problem and its solutions in California.

Presented by:

*Angelo Logan,
East Yard
Communities for
Environmental
Justice*

*Azibuike Akaba,
Regional Asthma
Management and
Prevention*

*Kathryn Phillips,
Sierra Club
California*

Date: Thursday, May 17, 2012

Briefing time: 12:30-1:30 p.m.

Where: Capitol Building, Room 115

This briefing is sponsored by Sierra Club California and allied organizations as part of the Protect California Campaign, a no-regrets campaign designed to educate government officials and opinion leaders about the work left to be done to protect California's environment. For more information about the campaign, visit www.protectcalifornia.org or visit us on Facebook at ProtectCA and Twitter @ProtectCA.
